VINTAGE BEAUTY, MODERN BENEFITS

Introducing our aluminium Heritage Window Collection. Offering you all the style and elegance of steel windows; with the energy-efficiency, acoustic performance, and security of modern windows. Whether you are replacing original steel frames in a conservation area or restoring your property to its former glory, choosing AluK aluminium windows will give you stylish design options, an accessible price, and higher energy ratings for a warmer home.

MATCH YOUR STYLE

Create your window your way, blend in or stand out, with our range of customisations and colours. From a choice of sash styles, openings, glazing bars, and leaded glass, to our AluK colour range specifically designed to bring you the latest in colour and textured finishes that give your home that extra level of personalisation.

SAFE AND SOUND

With excellent air, water and wind resistance test results, this window has been designed to withstand the worst of the British weather. With full PAS 24 and Secured By Design accreditation you can feel completely safe as well as stylish.
