

OPTIO BSC94 INLINE SLIDING DOOR

The perfect addition for homes of any size, from modern city centre balconies to opening out onto countryside vistas

LET LIFE SIMPLY SLIDE

Enjoy large expanses of light with our smooth operation, all aluminium OPTIO BSC94 Sliding door range. It makes the perfect addition for homes of any size, from modern city centre balconies to opening out onto countryside vistas. Available in both an inline sliding or lift and slide option the OPTIO sliding door is the perfect addition to any home looking to let natural light flood in.

STAY ON TRACK

Create your slider your way with our wide range of frame and sliding styles, including track, panel and glazing options. And make a real statement with our AluK Collection, specifically designed to bring you the latest in colour and textured finishes that give your home that extra level of personalisation.

SAFE AND SOUND

With excellent air, water and wind resistance test results, this sliding door range has been designed to withstand the worst of the British weather. Our In-line door offers full PAS24 and Secured By Design accreditation so you can feel completely safe as well as stylish.
